WHO ARE WE?

To be India's leading taps manufacturer and bath fittings brand of choice in India and among people. We are committed to provide distinctive bath fitting products and exceptional service while treating our customers and employees within yielding integrity.

ANDROID is a contemporary brand of faucets that spells class. Brought to you by a group which has substantial experience in this industry, the range explores the immense possibilities of futuristic design and friendly functionalities. And what makes this range exotic is its sheer quality that never goes unnoticed.

The various models of ANDROID exhibit features in true with world class products and offers solutions made to fit a wash area of any size. For examples, features like rust-free material, avant-garde design, stunning finish, quarter tune advantage, easy-to-fit convenience all stand testimony to this fact.

The ANDROID range gives a feeling of revitalizing water and looks new and glittering even after years. Stunning-n-shimmering this brand is sure to win the hearts of today's demanding customers for its design, durability and dashing performance.
